Subject: Photographs on Wednesday - March 8, 2011

Greetings Mr. Epstein,

I am requesting your permission to break the schedule this week by sending you photographs today (Tuesday), Thursday morning to capture the progress of Wednesday, and will be back on schedule with photographs on Friday. Tomorrow is Ash Wednesday and a holy day of obligation for me and I will be attending and singing (as part of the choir) at the service tomorrow afternoon.

Respectfully submitted,

Daphne
