Subject: will need to skip a breakfast

I have to write few notes to Bill (and I woke up late).

Also I met Danny on some meetings. Never had chance to engage in conversation and would love to but it will need to wait next time.

Will check with Philip re lunch.

 is coming to Nathan's dinner – so it will be a great opportunity.

She is right now super stressed as her talk is in hour and her demo did not work quite well!

See you later
