Larry came by the office today for signature on tax return and mentioned that you and him spoke about another 50,000 to be paid to George V Delson and Associates
I asked what this was for and he said it was for all 2011 work.

Total Paid to Date for 2011: 45,000
(this does not include foundation work which was for 2010 tax year totaling 6,765)

Total of 95,000 for 2011 work is a nice drop from 180,000 to 250,000 we were previously paying however probably still overstated by 35-40k

Please advise
