Subject: Paris to Kiev trip

Jeffrey,
here is my first quote I received for Paris to Kiev from Ray Boylan formerly of Blue Star Jets in California,.I have requested a quote from the other Paris Charter company we used earlier this year in a CJ2.
CJ3 price 21,000 Euros,.

-Boeing 727 fuel cost for this trip: Paris to Kiev is 2+25min (3209 gallons @ \$4.00 \$12,836.00 each way) plus (Navigation fees, crew and parking).

Larry,

We sourced a CJ3 for the Paris - Kiev round-trip priced at 21,000 Euros. Compared to the other quotes we elicited using similar aircraft this is the best value. Let me know if this works and we will work up a formal quote and contract.

Thanks.

Ray Boylan
