Not sure I will go next week. Steve and I were talking last night and I'm not sure what will happen for him at work. He's got a mtg w bill Monday. He usually wants to talk for a few hours after mtg.

This has been going on for a bit, and it is likely to end with him leaving MSFT. I never know when that will be but I don't want to be far when it happens.

I wouldn't want him to be gone if I was going through this.
