Subject: Flight options

Pricing is as follows

Beechjet (hawker 400) which holds 7 passengers

2 hours flight time x \$5200 = 10,400

International customs fees = 3,000 (estimate by broker) - need to firm up this number

Total Cost = \$13,400

Only issue is that they are asking for a 3 hour window to move up or back on departure
I think we can negotiate this down if we are going to proceed

Please advise
