[Big N Repair Budget 2012.pdf](#)

Good afternoon,

Based on conversation with **Boscoe** "in house" labor hours would be between 40 - 80 hours. **Boscoe** would require a helper whom we would have to out source, he has suggested Guy Vicars, which we all agree is a good choice.

Please note attached **Boscoes** breakdown, with projects 13 thru 19 taking 40 - 80 hours to complete. **Boscoes** hours, plus helper at \$15.00 an hour (\$600.00 - \$1,200.00)

Lester will take the Barge to **Subbase** Dry Dock AM tomorrow, as arranged by **Boscoe**, any other required runs, which we will keep to a minimum, will be carried out by **Boyson** (possible bikes to Hanger, Tropical and Rubbish Run can be completed in one day)

If there are any questions or concerns please let me know

Warmest regards

Karen.
