i thought maybe to include in my statement the fact that together with my friend we found a snowboard school in moscow to teach kds how to snowboard after the olympics so they can see that i earned my own money to come to study in france... It is not true that i found/registered my own school but its true that i used to give snowboarding classes. Making your own business from nothing at the age of 17-18 sounds better though.. tell me what do you think of this lie

getting better, put your parents in the first paragraph as part of the spectators. ,
seeing your dad's hands , this way we will end the same way. you
should add the importance in training to visualization.

2011/10/1 [REDACTED]

this version is all about visualization.. what do you think
of it? though it needs to be only 2 pages it is more fun to
read now

Jeffrey, imagine we are taking coffee at Cambridge; you came here to give a
lecture at Harvard. The nature around is fantastic: orange
yellow red leaves are falling down, the bright blue sky is
above us and it is still warm outside.. We are recalling the
fall 2011 and you say [REDACTED] *what a wonderful job we've
done! Your personal statement stood out and I am so glad
we got you to the HLS*

visualization.. I am all about it now

people need to smell each other.

All right

what does it mean *parents in the audience right side up ?*

Tonight I will be participating in a recorded TV debate simulation. It is
the public speaking training program. My
topic is International organizations, UN in
particular. I have to defend it and my
opponent will critic it. Do you have any
strong arguments FOR the existence of UN
?the arguments no one else would think of..

not bad,, but does not tie together , the language needs a great
deal of work, , also filled with
platitudes that i told you cnnot
be part of it. broaden
perscpetives etc, intinerntiaonl
realtions etc. I will try to find
some time in the next few days

2011/9/30 [REDACTED] >

This morning I included the things we discussed.
I talk about vizualisation and funny moments: United
Nations and
debating in different
languages. I say
that i dreamt about
living in a foreign
country and my

dream had realized
: i won a
scholarship from
Rotary to study
abroad... I wrote
how tough it was to
study law in french
school, earning
money myself..

I send you 2 new versions: one of them includes the
paragraphe
explaining why I
want to study at
HLS and the other
one does not
because I am not
allowed to have
more than 2 pages..

BUT It is still disorganized - I do not how to make this
abundant
information flow
correctly... I would
love you to help me
with organizing all
the ideas you find
inside and the
English language
sound as beautiful
as it sounds in the
first paragraphe
Jeffrey
