Subject: Photographs - March 2, 2012

Greetings Mr. Epstein,

Brice and Tom are not available to update the Punch list for me before photographs today, so I will use the same one from Wednesday and photograph all areas. In addition to the concrete pour that Tom is doing today, Five Palms, the Grotto, concrete roads at Flagpole, Top of Hill clean up, are there particular areas you would like me to concentrate on and take extensive photographs?

Respectfully,

Daphne
