Subject: Fuel Truck

Jeffrey

If we can get better deal of fuel at marina, Is it worth spending 40k, plus insurance etc on a fuel truck

Fueling of boats could happen at marina and any need to replenish Premium gas supply on LSJ could done by another companies tanker

We really don't have the need to take fuel to remote locations on LSJ anymore. The main purpose of the fuel truck is to fuel boats and resupply gas and diesel.

for your consideration
