Jeffrey, I looked back and I believe [REDACTED] and Joanna may still want to meet...below is from Larry Smith:

"Ellis and Jeffrey spoke about scheduling a meeting, at least, with [REDACTED] and Dr. Joanna Rubinstein (spouse) in September"
I will touch base with [REDACTED] first and see if she would still like to have the lunch with Dr. Joanna Rubinstein...then I will cancel you only and [REDACTED] office can handle the lunch w/Joanna.
