We are now on the construction of the 2 closets inside the bedroom and the drop ceiling of the bathroom. Completed demolitions of bedroom closets, bathroom and bedroom metal frames and entire bathroom. Tomorrow the plumber is doing the shut off valves for the sink and toilet. I am still waiting for [REDACTED] to order the bath tub. Penn

Hi guys. Jeffrey was asking me about the progress of Jen's apt. Can you fill me in as to the progress so far?
