I promise that I'll give it my best and be patient. I am going into it with an open mind hoping it would work out. I don't have experience in it and my only fear is that I love creative things and positions. Still I am excited to see where this goes.

They did not really discuss any position or any terms with me, so I also don't know yet what I'll be doing or how it will be structured.

I don't want to learn music and depend on it as my only source. It's just some thing I always loved and wanted to try.

Again, thank you for all... I'll keep you posted and I hope to see you soon!

Hey Jeffrey & Boris!

As you both don't know yet, I am emailing to give you a quick update on Mc2. I spoke to Fred today and he said to come in tomorrow at 9am.

I am excited to give this a try and see where it goes. If after a while I realize this is not some thing I'd like to pursue I'll look into some thing else.

As you know Jeffrey, I am very thankful and grateful for all your help.

Besides this, I am looking into music Deejay/ remixing schools. It's some thing I thought about for a while.

Xx
Sam
