Subject: GIV Gulfstream

Steve,

At Mr Epstein's request, see Web link for a Gulfstream IV new to market;

http://avprojets.com/view_aircraft/235/Gulfstream_IV_SN_1077.html

The person in charge of maintenance on this aircraft is our Flight Engineer for the Boeing,. meticulous to say the least,.

this is a good GIV,.

HUD (Heads up Vision) \$500,000

EVS (Enhanced Vision System) \$500,000

Direct TV installed \$300,000 option

Many large inspections, maintenance and engine overhauls already completed.

Ask is 8.5M

should sell for high 7"s or 8.0M

thank you,

Larry
