No, they haven't. They were very professional! They also let Lyndon know of the entire situation. There is nothing to be done. Now I'll subscribe to a paid course and this way I'll be allowed to work in uk with no need of a work permit!! It's so easy...if I only knew....

Hi 

Hope you're doing good.

I've checked some websites regarding the working permit, and I can say I'm very confused. I don't know exactly which one I need, though the more appropriate one would be the Business and Commercial one I guess. Could you also check the website in case I got it wrong? I've got the attached form from the following link.

Many thanks,
