**Subject:** Concert tonight

Hi [REDACTED],

The concert tonight is at 7.30. Jeffrey would like us to organize food for the girls at 71st before we go. So I think we should all be at 71st at 5.45pm and leave to walk into the park at 6.45 pm. Jeffrey let me know if you want to change the times.

I will liaise with [REDACTED]

Can you please organize with [REDACTED] as I have no way of reaching her. Someone will have to come across from 66th with her - either you or [REDACTED].

I thought perhaps to just get sushi from Geisha - it is simple and easy. Can you please coordinate with Lyn about ordering.

I will be in class today but will be checking my emails. I also have to try get to philippe late afternoon. (snuggly bunny I know what you are thinking - he wasnt in on Tuesday!!)

Please confirm back with me!! Thks!! Xx
