i sent him schedule showing balance due with accrued interest of 32,269 as of 9-15-2011
he originally said we would be paid in full by end of September and now is saying he will make a
payment in October
should i press him a bit or wait til October..
please advise

Understood. I'm doing my best to accrue enough from my income to quickly pay the balance plus
the interest. I will make a payment in October.
