Phil is couch surfing with a friend from dallas who now lives in nyc. If you can put him up with no trouble, I'm sure he'd appreciate it and it would make his life easier there. Let me know. He's in town til tues. Two more interviews on monday. As far as an apt for him, just think what you grew up in; a 3rd floor walkup @ sea gate and nautilus. Unbelievable. Let him try that place for a year or two. Best, tk
