Subject: Re:

I don't think so. It's about a 28 year old billionaire business man that is into Dominate/Submissive sex, ends up falling in love with someone and marrying her. He was the son of a crack whore who was abused as a kid and was adopted by a wealthy family. The girl he marries is the first normal girlfriend he ever had that wasn't a submissive. Basically the whole book is them having sex in every sort of way.
