working on flights.

Do you have Bobby Slayton's contact info so I can get his travel details to organize apt?

I think it's a good idea to try Lyn's sister. I really think we need one person to take care of and organize all the apts. and to help Lyn at 71st as well. I don't think logistically using the cleaning services works in the long run. There is always issues with laundry, organizing the sheets, towels, cleaning supplies, bathroom supplies, changing light bulbs, emptying out the drawers and closets. People leave things in the apts all the time and a cleaning service just does the bare essentials and nothing extra. We need someone who can take responsibility for all these things, can go out and buy needed supplies, keep things organized, etc..
