Subject: 6fl Movie room blackout shades

Good morning Mr. Epstein and Welcome back ,Cutting edge completed the installation to the theater projector on friday afternoon, Scott Dennett had cutting edge make some projector picture adjustments and Scott also worked on the apple tv. The technician worked on the black out shades most of the afternoon and could only get the east shade operating properly. They found two chreston relays that send electric signals to the shades that are bad and need to be replaced, which are on order . Cutting edge also requested i call in the roller shade company to check the mechanical operation of all the blackout shades .The roller shade people are scheduled for monday afternoon to check the mechanical operation of all shades.
