Please try to send me docs to Bill (if possible before I leave for NYC on Thursday).

Just got call from Elis and Joanna Rubenstein – they want to see me this weekend. They invited me for a dinner on Friday but I have already other plans.

Would you like to meet them on Saturday afternoon. You and me can go to their place.

I know that it is not something that you like but it will help to build a relationship. Both of them have an incredible network of scientists worldwide.
