We have 5 to 6 strategic guys all circling to but harbinger's block of stock 200mm + shares at 2 a Share...2 are chinese fyi but they take way too long and won't be the best buyers plus they never stand up to their word so doubt they're really in the mix if u have interest in ferrous show me a bid "firm" and I can drop the whole company in your lap dirt cheap if u want to hustle..if u have any additional questions please do not hesitate to call me at [REDACTED] I can answer any questions quickly that u might have via email....regards paul
