Subject: Bll 407 update

Jeffrey,

I have Edwards working thru the weekend to get Bell 407 return to service, all the parts arrived Thursday, included the main rotor mast that had to be sent to Bell for plating due to corrosion, and only needed clean a paint of effected area,. I plan to do blade tracking on Monday, and depart Tuesday or Wed at the latest, I can make it in one day to St Thomas weather permitting,.let me know if Thursday pick up 1:30pm on St Maarten is still confirmed, or has changed,.?

thank you,

Larry
