Subject: Re: engineering

can you please update me on status of this budget as i know jee wants it immediately
please be sure to detail all of your assumptions
please ask jee how he wants to use manpower needed for tasks other than cement (hire vs
reallocate existing labor)

I spoke with JE yesterday about it
I just spoke with Tom. He is working on new labor numbers
He is also taking an inventory of the rebar
Should have this afternoon
Can send new budget in AM. if needed sooner I can estimate
C
