these are sophisticated instruments,, go slow.. learn its benefit and risks. . make some
mistakes. (small , know your ask each time your MAX loss exposure). they will
rape you on the way out. (no set commisions ,) historical prices are
meaningless. DO NOT look for bargains. . when they say, x is trading at
historical lows.. think of women.. IF I told you she was once really beautiful,, and
for the past years she has become uglier and uglier, would you feel a great desire
to rush in , with the hope that she will return to beauty,, or would you find a young
pretty thing (tech co). with a long bright upside and future.

I remain , your new jew friend ,, jeffrey
