A Happy and Healthy New Year with lots of Gelt to enjoy it all with!!!

If you want to hang with me and the wife and the kids in the Succah you have an open invite. Weds night this week through a week from this Saturday. Plans for both Thurs Fri and Sat nights need to be in advance cause we dont pick up the phone from Weds night through Sat night.

BTW the food is kosher and you can breathe the fine Brooklyn night air sitting in the Succah.
