Title: Accountant

I am setting up meeting now with accountant and Bryan Bantry's team. Will advise asap.

I do not stop running because I have to be the best and have the most interesting life.

Even though I am perceived as successful and focused, I am thought of as a women who works too hard and makes no money.

I know selling my mother's house and investing in a new apartment will help my standing in society....

So the reason I keep working, running, traveling, writing...which I love is to maintain my dignity.

It's exhausting. I do not exist if I sit alone in my little overstuffed apartment.

Thank you for always looking out for me.
xoxo Peggy
