I just spoke with Mr. from Windoff who sent you the total price for the windows. He told me that discount was already made 15% and discussed with the brazilian guy who works at your place.

Unfortunately, he cant do better discount because your windows are very big and you need special wood and support for it.

I told him i will call him back if you need me to ask him something else

The measurements should be on the attached quote with the breakdown of work.. Did you receive the attachment on my first email? It's all in French, so I can't understand quite what it says, but it should give dimensions, etc..

Hi [REDACTED] I hope you are well! Jeffrey needs some windows replaced in his Paris apt and we have received the attached quote. Jeffrey is asking if you could help negotiate the price for us? The company

is called WINDOFF, and all the relevant information is attached in the quote. Please let me know if you can help with this. Thank you and hope to see you soon!

Best,
