Good afternoon,

We have just completed a telephone interview with a very promising couple, for the management team at the Ranch. After all the resumes and interviews this is the team.

Young, positive, family background of managing properties, he can operate a boat, willing to travel, understanding of the requirements of working within a private household, attached their resume. Please note the cover letter has his name as [REDACTED]

Would suggest that they come out to the Ranch while we are there and see how it goes.

Please advise

Warmest regards
