Subject: thanks & sorry

I never meant to put you in a position where you had to say "can't do that, b/c of fbi etc." I knew Plainfield was being "investigated," but this aspect never occurred to me. Should have. Even if there's no IP relationship between a new company & Plainfield, no doubt I'm a connection all by myself if we're doing anything in that part of the universe.

If you have time any day next wk, I'd still love to know how you size the thing up as we go on to other potential people. Tmw I'm in Boston delivering paintings [to an investor whose financial brilliance is spoken of with awe -- tho not be me]; any other day, M-F?

Thanks a lot. Still love to have you in Woodbridge--
