Spoke to Domenica...she said Mr. Cutler has not said anything more to her re breakfast with you early on Thursday...she said he does have a very full calendar this day and she asked that I tell you again, Mr. Cutler said he would call you today or tomorrow (this time she added in "tomorrow") I reiterated you could do very early, 6:30, 7:30am was just fine. She needed to take another call and jumped off quickly.
