I learned about the gym. Tomorrow I'll buy a membership at Equinox who goes [REDACTED]. It will cost \$ 177 a month ... I said that I am a model and they said they could make me a discount and I need to pay only \$ 155. But when you pay once for the half year is a much cheaper.(\$645)

once a year - 1290. It's just a wonderful gym! All classes and even swimming pool. I liked it since the moment when I was there with [REDACTED].

But still I have an idea. And I know that usually you do not approve of my ideas, but I still share.

Jeffrey, I always wanted to know how to dance beautifully. Maybe I can instead of the gym (or alternate every other day with a gym), take dance classes? It's so fun! and not at all boring. Besides the opportunity to learn something new. and it also enabled me to meet new beautiful girls:) I am very interested in the style of jazz dance and modern theater. Would you like to see me dancing like her? ---
