Dear Barry,

July 11 we will be in Africa. We are only in the states until my birthday on [REDACTED] and then we fly to Europe.
If anything changes let me know. If you ever have a casting for an [REDACTED] year old (that looks like 15), my youngest [REDACTED] is your girl.
I will send you a couple of pictures tomorrow.
Best [REDACTED]

[REDACTED],

So July 11th is the date filming for the scene I mentioned in [REDACTED].
[REDACTED] would work most of a 12 hour day with us. Both of your girls can be featured extras in the scene.

Please let me know if this date works for you and I'll notify the production to get the simple paperwork done.

As we discussed, this is a low budget film and our dates may change. If they do I will give

you as much advance notice as possible. The [REDACTED] scene shoots in Studio City which is an easy 20 to 30 minutes from Beverly Hills. I will forward the script and mark the scene number for you.

Please let me know if this works for you.

Best,
Barry J
