Sorry its taken so long to get back to you and Jeffrey. I wanted to do research for the TV company in the current environment. I also wanted to get further with several of my current projects set up at networks.

I will forward you the current status of projects and the deal I would propose. I would like to speak with you before sending that out so please let me know when would be a good time to speak this week.

Thanks very much.

Jeffery,

I'm sorry that I missed you in New York last week.

Now that I've resolved my film company deals, I've given a lot of thought to how to best approach a successful television strategy. It does not include making a deal at Warner Bros. as I had planned. Its far more lucrative for me to remain independent and make the best deals as I sell to networks and cable outlets.

I can explain more about the financing and strategy if you were interested.

Please let me know.

Best,
Barry J
