I am trying to find out from someone at Immigration ([REDACTED] Special Agent in Charge) but he is in a meeting right now.

John would like to know if we have done a fuel price analysis re what Hancock is charging. If we know that he is getting his fuel at Hovensa at the rack rate then we can figure out his margin. John is willing to press the issue if we have some info on what he is charging and that he definitely owns ExecuJet and the other entities.
