i talked to him ,, he said rough sex cases , not unusual, autopsy would be a factor but not a big one. drugs are not a defense , he thought he would get bail . reduced charge. , and would not exaggerate his potential strengths. he held the position of head of prosecutions, the exact same position that he would be dealing with.. norway has put pressure on the govt. . I think you should focus on what punishment would be acceptable. . time , spent,, ? maybe a form of house arrest? , work charity, , the high profile nature is a problem. . the press will highlight any issues.

Subject: Lord Macdonald's trip to Paris

Dear Sir

I hope you are very well today.

I understand that you would like to organise a meeting with Lord Macdonald in Paris soon so you can discuss some legal issues with him. The best day in the near future would be **20th June**.

Lord Macdonald's fee for preparation for and attendance at a meeting in Paris would be £20000 sterling, plus VAT if applicable, plus first-class travel expenses [we would also require Counsel's hotel accommodation to be paid separately, if the need to make an overnight stay in Paris should arise].

We would require receipt of the agreed funds by **Friday 15th June**. I can provide you with Matrix Chambers' bank details so that payment for Counsel's work can be made electronically.

I would be grateful if you could confirm that the quoted fee is agreeable to you, and that you can pay in advance by the 15th June. Once we have confirmation, I shall liaise with you to finalise timing, venue etc.

We very much look forward to assisting you. I attach Lord Macdonald's CV for your reference.

Yours ever

Paul Venable
