Hello my дорогой! I thought You already forgotten about me with your new игрушка. I did not want to disturb you.

My news ..

This Friday, [REDACTED] I think it would be good. We'll see.

[REDACTED]

My friend meet me with her friend, whom she used to do a massage before she met her boyfriend. I did it yesterday massage .. Almost an hour. Very strong. He really liked it and before the massage he was going to go out, but after massage he told me that I was so relaxed him and he would go to sleep. he gave me 200. and said that he would sometimes call me in the evening after work before he go to bed. He praised my massage and thought that I was a professional. I want to do now massage for you!

I am also very keen on design of my room. Paintings, fabrics, curtains ... I found a dresser in the store, but still not found someone who can help me to bring it... . My room is very cozy! [REDACTED] and another girl really liked it. Roommates so happy... [REDACTED] even one time slept during the day 2:hours, so she was comfortable. I would be happy to invite you to visit for dinner when I'm finished with the design. Would you agree?

By the way, you said that [REDACTED] has for me a mirror .. She it confirmed on a large mirror, and then she said no. What happened? She left the mirror itself?

[REDACTED]

I wrote a long letter to you yesterday, but was afraid to send it. I'll tell you in two words of my news of another. You told me to find a boyfriend for help ... With me he met a man.

He ran me out of the gym after workout. He's cute. He was embarrassed as a boy, and it was funny. After exploring we once went to the sushi. [REDACTED]

[REDACTED]
[REDACTED] He wants me crazy. I feel it. But I am afraid of wasting my time ... I do not know if he could help me financial and no only with his dick . What do I do, Jeffrey? I know you know. you know everything.
