Subject: Fw: Katherine Khuat follow up

Katherine says she sent this to Barry and he was to then forward to me, but I never rec'd. She wanted to make sure you knew she was following up. :)

Jeffrey,
It was very nice meeting with you. I'm appreciative for our meeting and after thinking about it some more, I am still very confident that this is the right job for me and I can do everything required for the position. Looking forward for the opportunity. Please let me know if you need a follow up meeting.

Sincerely,

Katherine Khuat
