i dont want to disappoint you!!

i am learning and know you already a little bit better, but it's true i dont have a lot
of girls in town

and i don't know soooo much, but little by little i will.

I also not working anymore at model agency whats makes the things more
difficult

+still need to be here every day at Elite,

if i could fully dedicate myself to work with you, i am sure i could be more
productive.

as you can see, i am doing my best, because i like you a lot and i like to spend
time with you.

Lets open a model agency? or i will work for you full time?

kisses

P.S miss you

I'm sorry you are bored. I wanted you to know that I am disappointed. I
measure what happens as opposed to words. This week has not been fruitful
