Arran recieved an offer of 10,000 for cement tanker and tractor head
we where asking 10,000k for tanker, tractor head is toasted
please note tanker has been dropped twice on the barge
tanker will be off island in storage during your visit, we need tractor head for
removal of last 40ft container which will be next week, then it can go

If we ever need in the future to have a 40ft container brought to the island,
boyson will be used for delivery

The buyer is Mr Morehead of heavy Materials, he is also interested in other
pieces of equipment
we should recieve offers next week, on ford ranger, bobcat, etc
he will also be forwarding contact info for potential buyer for batch plant

do we accept the offer for tanker and tractor head
