Well...I'm fine...I started work 3 weeks ago,moved out of london, alone in Market Harborough.
I enjoy the new job, I already learned so much!!! I attend all the meetings,and already have very
interesting assignments. I feel that this job will give me the experience I need and I want, though I
can't see myself liveing here. I'm very lonely here, only families with children and no friends so
far... :(
