Jeffrey,

I am associated with a consulting group that seems relevant – The Greatest Good. Perhaps you can look at their website and see if it is relevant to your interests.

I feel quite sheepish about missing your note of July 26 – no idea how this happened except that I was totally preoccupied by that miserable book.

Best,

Danny

Dear Jeffrey,

I do not understand what happened – I just found this message, dated July, unopened in my inbox. I did hear from John Brockman later that you might have some use for me, and trust that he communicated that I would be in conflict, as I consult with Guggenheim Partners.

I apologize for apparent and completely unintended rudeness.

Best,

Danny
