Subject: layoff list for june for approval
EMPLOYMENT_LSJ_RELEASE.xlsx

Jeffery;

For you approval an updated layoff list.

Changes;

1. Moved Brian up to tomorrow, He is finishing carpeting dock today. Going on vacation next week so he really can not start projects.
2. Kept Bosco, I do not think he is a good mechanic and is expensive. Will put him on 90 days to get all equipment back in order, then re-evaluate.
3. Moved Clement to the 15th, he can start on maintenance shed siding. Bill and John on pergolas and dock box

The only one we need approval on today is Brian, so we can do paperwork. Unless you have other ideas.

Thanks;
Craig
