Dear Jean Luc,

How are you? Hope you had a great trip and vacation.

I saw Jeffery this past weekend and we were talking about the job at Mc2. I was put in here with out really discussing many things. I am really enjoying it and learned a lot, but I would like to establish more and discuss a few things. Right now I am doing mostly office work which is good to learn and I am becoming good at it, but I would like to discuss where you see this going... I don't think anyone here knows what I am suppose to do and some times I get treated as an intern. I am not sure how to feel getting bossed around by Alyssa or Travis.

I am also uncomfortable bringing this up but I have been here a bit over a month. Am I getting paid for the time that I've been here and in the future? I never brought up or discussed any thing with Fred.

As far as my schedule, I have not seen Boris in over a month and we just finalized our time together. Here are the dates that I will not be able to be at the office. I will be happy to do any thing for you in any of the places that I'll be traveling to.

I go to Brazil on April 25th at night. So I will not be at the office from April 26 till May 3rd. A photographer friend of mine offered me a great styling job while I am there for a music video. It's for a very famous singer in Brazil which I am close to actually. I am waiting to hear what he says about the fee/ payment for the job. if it's good money, I may be extending my stay a couple of more days for the shooting till May 4th.

I will work the whole week when I get back and we are going to Europe from May 14th till May 21st. We will meet and travel with Jeffery for majority of the time.

Those are the confirmed dates so far. Can I tell Fred or will you do so? He still doesn't know.

I am 100% committed to working and learning here, but I do hope you understand my circumstance and that I need to travel for some of the time. I will cut back a lot and not travel as much as I can.

Please let me know if I can be of any help to you while I am traveling. In Europe, I will be in London, Paris and Vienna. And Sao Paulo/ Rio on my first trip. Please don't hesitate to ask me if there are any agencies to visit or models to meet or any thing else that can be of any help to you.

I do have some contacts in Brazil in fashion. I would love to help in any way I can.

Are you back at the office soon?? Let me know what to do and if we can possibly have a discussion when you can. Maybe we could sit down and talk with Fred... ?

Thank you for every thing and hope to see you soon.

Sam
