Hi Leslie!

So I usually get more lunches for him rather than breakfast but I can tell you that he isn't much of a carb eater – breads, potato etc. He doesn't have any allergies and seems to really enjoy meat and protein. I am sure he likes eggs as well. He really isn't that picky as he seems to like most food. ☺ But a table full of pastries wouldn't be his thing.

I hope that helps. Have a great weekend!
