I know Darren mentioned he updated you on [REDACTED] conversation with Janusz and Ofelia. It seems that Janusz was left rather confused as he was given zero information and no mention of severance. Can you please advise on severance package you believe is appropriate and how i should answer when Janusz asks why he is being terminated.

On a separate note Igor took the responsibilities list and started asking questions to Janusz before he was terminated. Not the smartest move.

I believe that he may be a short term solution but is not the best solution to assist [REDACTED] moving forward. In addition assuming Janusz is on property for a period of time will we continue to pay Igor [REDACTED] and health insurance?
