Subject: i'm not sure he gets it

Suspect he is in "freakout" mode since lawyers are involved.
I will quote directly...

"OK. Thank you. I have a copy of the lawyers email to [REDACTED] lawyer. It amounts to blackmail. I don't hink JE knows that part.

S cannot be held responsible for the media and their views. Going after her in this manner is not in anyone's interest. I see a very unpleasant set of circumstances arise if lawyers antagonise. I absolutely do not want that to happen and agree that we need to work together on this. But the London legal team need to be called to heel. I can extract the problem passage I am referring to and send it you would like."
