Subject: Thank you!!!!

Hi Jeffrey,

What a fantastic day!! I had an amazing time. I could just gobble up what everyone was talking about. Thank you so much including me.

My press releases are starting to appear on google's front page. They have been picked up by the Wall Street Journal, Reuters, Bloomberg Business Week etc. The one that appears on the front page is The Sacramento Bee.

I'll cc you on all of these links.

I'm putting together more articles and photos from yesterday and will get those out soon.

THANK YOU AGAIN!
