Hi Lesley,

Nancy here. Please may I extend apologies for David. He has been wrapped up in a conference where he was speaking and moderating panels, which has caused him not to be as attentive to issues as he likes to be.

David thinks meeting Marco Magnani in New York while Marco is there is a good idea. Looking at David's calendar, it appears that sometime between 2:30p and 4:30p or possibly in the evening on Monday, July 18th would work.

May I run these times by David when he lands in New York and then get back to you?

Many thanks,
Nancy

Hello David. Jeffrey requested I follow up and see if you might be available to meet with Marco Magnani, a friend of Boris Nikolic's. I have attached his resume's again for you for convenience. Marco will be in NY from Sat. July 9th to Thurs. July 21st. Marco knows you should be speaking on July 12th to a group of YGL (and Marco will be there) at the WEF offices in NY...however, not sure that is the ideal place to talk. He could meet you any other time while he is in NY those days or he is also happy to go to Boston one day of the following week (18, 19 or 20 or even Fri 15) He will keep his schedule as open as he can so he can be flexible.

Please let me know your thoughts. Thank you! Lesley
